

**Thomas County Emergency Management Agency  
COVID - 19 Community Health Advisory #2**

On March 14, 2020 Governor Kemp issued an executive order as follows:

*“That no business, establishment, corporation, non-profit corporation, or organization shall allow more than ten (10) persons to be gathered at a single location if such gathering requires persons to stand or to be seated within six (6) feet of any other person.”*

Funeral Homes and ministers and churches are reminded to follow Governor Kemp’s order regarding all their events especially funerals.

Thomas County Sheriff’s Office and Thomasville Police Department will monitor these events.

We further request Department of Public Health use its authority as follows:

*“Impose Social Distancing. Social distancing is the limiting or preventing of the spread of a disease, such a COVID-19, through measures, such as exclusion policies, isolation, quarantine, curfew, partial or complete closures of facilities, including public, and restricting the movement, including the closing of borders.”*

Authorized this the 31<sup>st</sup> day of March 2020.
