

**Construction Project Meeting
Mandatory Contractor Meeting**

The Thomas County Board of Commissioner is having a Pre-Qualification of Contractors meeting for all parties interested in submitting proposals for any phase of the Thomas County Emergency Services Southside Station. Thomas County Board of Commissioners is the General Contractor. Statements of Qualifications (SOQ's) will be available at the meeting. **The meeting is mandatory for all contractors who wish to submit proposals on the project.** The following trades will be available for bid proposals at a later date: metal building (to include roof, rake trim, gutter and downspouts), wood framing, plumbing, drywall, millwork-trim, painting, flooring, HVAC, electrical, fire suppression, masonry, insulation, concrete-curbing, slab and footers, siding and trim, acoustical ceiling tiles, overhead electrical doors.

Thomas County Courthouse
